An old man lived with his wife and his dog, Mercury.

The man always took a walk with Mercury in his pajamas. He lived in the country, so there were many kinds of creatures.

The stream runs along his house. Every morning he and Mercury can hear the song of a warbler and had a nice time. Mercury liked to run after butterflies and dragonflies. Mercury was pleased with her life. The man liked to watch her, too.

However, his wife wasn't a good woman. She didn't do her housework and always demanded her husband do it. Also she didn't like Mercury very much, so of course Mercury disobeyed her. The woman also was a sleepyhead she got up at 11 o'clock in the morning.

The gentle man endured her for a long time, but he finally said to her, in a loud and angry voice,

"I can't stand you! I'll go away. Don't look for me! I'll never return to this home!"

The next morning Mercury got up as usual, but the man, whom Mercury loved, wasn't anywhere. Mercury looked for him, but she wasn't able to find him. Mercury didn't realize this and she missed him.

"What's wrong with him? Why is he not here? Oh,.....my master .....Where?"

Mercury wondered where he was, but she didn't know.

Every day Mercury waited for him.....

Title: My Terrible Future

Name: トカちゃん

I am Alex. Today, I and my wife named Marcia rode a special car.  
It's a "Time Machine!"

"Let's go to the past or future!"

Marcia yelled happily .

"H...hey ,you don't know where we will go?"

I was afraid, so I tried to get down the car, but the view was rushing already.

After a few minutes, we arrived somewhere.

The air was clear and silent. It was night .

"Where are we?" I asked her.

But Marcia didn't answer, just looked at the house.

"Hey, Alex. The old woman is ME, isn't she?"

She pointed the old woman and the boy behind her.

"Then, probably the young boy is our son, Ryan...wait!Where am I!?"

"I don't know. Oh, shhh...we are talking!"

We squatted down in the bushes and held our breath.

"Hey, Ryan, did you buy our memory flower?"

Future Marcia said to Ryan softly.

"Of course, Mom."

Ryan put on a bouquet of white roses on future Marcia's bed.

Suddenly, I realized with fear.

"Memory... white roses...I...I have died!!"

"What!? What are you saying ?"

Marcia looked back at me with surprise.

"...In brief, I will pass away before you die."

I told terrible future to my only wife.

After, that, we went to a hotel to sleep.

I sat beside her on the bed.

"Alex...I'll miss you...but don't worry!

I'll do everything what I want to do freely!"

"...Good night."

I went back to my bedroom.

I don't want to let her alone...but it's destiny.

She is easygoing now, but...I thought until the sky turned bright.

The next day, I went to the hospital.

The doctor had bald head.

He said happily, "Oh, your name is Alex? What a coincidence!

My name is Alex. And today my family will buy white roses.

Today is my wedding anniversary!"

I...it's me!? Will I have bald head and get fat!?

Phew...what a terrible future!
